HOW YOUR COFFEE MORNING CHANGES LIVES

Our goal is to make sure we're there for everyone affected by cancer when they need us most. By taking part in a Coffee Morning, you're making a huge difference to millions of patients, their families and friends.

An ever-growing challenge

2.5 million people currently living with cancer in the UK

400,000 more than just 5 years ago

Changes over time

Year	Population
2030	4m
2020	3m
2010	2m

That's a **3%** year-on-year increase

Reaching more and more people

157 cancer patients helped by each Macmillan Nurse

Our spending on services
 How we're improving the lives of people affected by cancer

Service	Percentage
Healthcare	34%
Financial Support	23%
