Sports Day 2018

Dear parents,

This year we have decided to change the format of Sports Day so that all parents get the opportunity to see their child compete in lots of sporting activities. It will also mean that all the children are active and not just waiting for their turn to race.

Below is the organisation for the day. Parents will be allowed to move around the field and watch their child's class. Please ensure that we create a positive and encouraging environment for this event.
