Monday 10th April

Football Coaching

Dear Parents/carers,

Starting in the summer term your child will be receiving football skills coaching from a certified F.A Coach- Rob Oakley. He will be delivering 6 sessions with several classes every Tuesday on the following dates: 18th April, 25th April and 2nd, 9th, 16th and 23rd May.

The FA Skills programme works in over 2500 primary schools each year, providing lessons for the children against the requirements of the PE National Curriculum and supports teachers' professional learning. The Programme's approach is truly child-centred, is for all ability levels, and focuses on individual boys' and girls' learning needs. As well as helping to develop the technique, ball skills and confidence of children in primary schools, the FA Skills coaches aim to pass on invaluable lesson ideas and guidance on the delivery of football to the pupils' teachers.

Please ensure that your child has a tracksuit or P.E kit and jumper in school on these days as sessions may take place outside. They will also need trainers.

Thank you
Miss Reid
