### Year 3-6 'Protecting our Wildlife' Workshops

Dear parents,

In the Spring term we have an exciting opportunity in conjunction with Chester Zoo. On Wednesday 10th January (3.15-4.15pm) Safari Rangers will be running a fun and practical workshop on how to create safe spaces for our local wildlife. This will empower the children to look at ways to protect our native species and be real life conservationists. The Safari Ranger will then return on Weds 7th February and do another workshop where the children can share what they have done and look at signing up to become a Wildlife Champion.

If your child is interested in attending these workshops, please fill in the reply slip below and return to school by Friday 15th December. There is space for 30 pupils on the workshops. If it is over-subscribed we will draw names out of a hat.

Thank you  
Miss Reid  
Assistant Head
