Team 6 Booster Sessions

Date: 12/1/17

Dear Parents,

We are pleased to be able to offer support for all children in Team 6 to help them to achieve their potential in the SATs later this year.

We would like all children to access and attend this as it will be extremely beneficial to all. As we are fortunate enough to have so many teachers willing to give up their time, we are able to put the children into five different groups so that there will be focussed support for them.

The sessions are mainly going to take place on a Tuesday after school until 4:15 starting on the 17th January and running until the 2nd May during term time. However, due to other commitments sometimes the day will need to be changed in order for the children to make the most of these sessions. We will ensure that you will have plenty of notice for the changes.

We know that you appreciate the time and commitment that go into planning the sessions to help your children achieve the best possible and that you will ensure that the children will be attending as many sessions as possible

Thank you for your continued support.
