'Gifts to Ignite the World' Book

8th February

Dear parents,

Our Year 5 and 6 children have had the amazing opportunity to work with the author Antony Lishak to produce writing for our very own book. Along with 10 other schools they considered both the beauty and flaws of the world, producing some thoughtful reflections through a wide range of writing genres. Many of the children thought about how they could use their own unique gifts to make the world a better place. All their writing has been published in a book and you have the opportunity to purchase one. Please fill out the form below along with £3.70 and return to the school office by Friday 10th February

Thank you  
Miss Reid
