Digital Newsletter

Wednesday 21st September 2016

Dear parents/carers,

Here at St Bernard's we are trying to streamline our communication system and give parents instant access to school news and events. We are aware that many parents have smartphones and we are now able to send newsletters to parents' email addresses in a format that you will be able to view on your phone. This will improve our efficiency in getting information to you alongside doing our part for the planet and saving on paper.

Please indicate below if you would like to receive newsletters electronically or have a paper copy.

Thank you
St Bernard's Admin Team
