

Arbor

At St Bernard's we use Arbor to communicate with families.

Download the app or go online and you can

- **View your child's attendance**
- **Book clubs**
- **View school trips**
- **Book parents evening appointments**
- **Update your address/phone number**

There is a calendar on the parent portal online to view all up coming school events.

Keep up to date with everything that is happening in school. Don't forget to turn on notifications in your settings.
