Monday 13th January

Dear parents,

As a school we have signed up to an exciting learning platform to help your child develop their spelling skills. The Spelling Shed helps children to practise spelling via a simple game. The game gives four different degrees of support in the form of difficulty modes; Easy, Medium, Hard and Extreme. Higher levels allow a higher score to be achieved but children can practise as much as they like on lower levels before trying to gain high scores. The scores achieved give a league position and each class has its own league position within a school league and our world league. Spelling Shed also allows for homework and whole-class "Hive" games as a more interactive form of a spelling test. Your child's teacher will set lists of words that your child should practise and will monitor their progress.

We would like all our children to regularly access Spelling Shed at home. There will be rewards in assembly for star spellers.

Thank you for your support
