Team 3 update

Dear parents and guardians of children in Team 3,

I hope everyone is well. The school community is really missing Team 3 and we're looking forward to welcoming them back this Wednesday 14th October as normal.

I'd like to thank to all parents who are supporting their child's learning at home. I completely understand the pressures this may bring and I'd like to remind all parents that we are here to support and help. Miss Worthington is working incredibly hard to keep learning going as best as possible and we're pleased with the general engagement so far. Every session, recorded or live, is really important so that the children can keep up with the curriculum. Please continue to engage as much as you can in the final two days before the children return to school. Miss Worthington has recorded many videos and if you haven't accessed these yet, please email her directly and she can send them to you.

If there is anything further we can do to support, please let us know.

Yours faithfully

Mr Jevons
