Our Mission:
**TO GROW,

Dear Parents/Carers,

I am delighted and honoured to be appointed as the new Head of School for St Bernard's. I am very keen to get to know parents, as well as pupils and staff. I know that a successful and happy school depends on all of us working together.

I would like to take this opportunity to introduce myself to you. I have been a Teacher for over 20 years and worked as a Deputy Headteacher for the past 6 years - the last two at St Joseph's Birkenhead (Another school in our Multi-Academy Trust). I feel very lucky to have been given the opportunity to lead this school, working with Mr Jevons in his new role, and supported by Miss Reid and the rest of the leadership team. As the leader of the school, my main job is to make sure your child is safe, happy and reaching their potential.

St Bernard's School has a history of excellence. I am looking forward to finding out more about the school and meeting all of you, so that the developments we make in this new chapter are fully supported by the whole school community. I hold a strong belief in the power of education to change children's lives and the right of every child to receive an excellent education. I am dedicated to building opportunities for pupils to ensure that they are known well as individuals and that their unique personality, talents and interests are nurtured and developed to the full.

I am keen to meet parents/carers to give you the opportunity to say hello and ask any questions you may have -I will aim to be on the playground everyday. This Tuesday (7th September) we are having a coffee morning in the school grounds from 9am, please come along for a chat. I am looking forward to working with you all and excited for the future.

Yours sincerely,

Julie Le Feuvre
