

Help Your Child With Maths Workshop

for R, Y1, Y3 children with parents/carers

Help Your Child With Maths

Come along to our fun, hands-on session where parents, carers, and children work together on a range of easy, interactive maths activities. Learn simple ways to support your child's learning while enjoying games, puzzles, and practical tasks you can try at home. A great way to build confidence and enjoy maths together!

Free when parents/carers complete a short registration form during the session.
