### **Parental survey**

Dear parents / guardians,

We would appreciate your **current** thoughts on government plans to re-open schools for children in Years Reception, 1 and 6 from June 1st onwards. Please note that this is just for school to gauge numbers and consider staffing as part of our planning and risk assessment process. Your response will not be taken as a firm commitment at this time. Further consultation will take place as more information and advice becomes available.

We are aware that some families will have siblings in other year groups than Reception, 1 and 6. Please note that this form is just for your children in Reception, 1 and 6 and not others.

Click on the link below to complete the short survey. We would appreciate your response as soon as possible.
