School Closure 5th January

Dear parents / guardians,

In light of tonight's Government announcement, as of Tuesday 5th January St Bernard's Primary will only be open to Key Worker and vulnerable children. The timing of the announcement will no doubt cause a lot of inconvenience and anxiety and we politely request your ongoing patience as school adapts to the news and provides further information.

If you haven't already done so, please fill out this [Key Worker Form](#) if it applies to you as a matter of urgency. Mr Jevons will email those who have responded with further information this evening.

Families with children classed as vulnerable will be contacted early in the morning with further information and next steps.

The home learning plan will be shared tomorrow and as always, we will be doing everything we can to support you.

Thank you for your patience and understanding during this difficult time. We are sending best wishes to all our families and the wider school community.

Take care and stay safe.
