New Classes for 2020-21

Dear parents/carers,

We would like to inform you of some staffing changes for September 2020.

Unfortunately Mr Brassington will be leaving us at the end of this year. He made the school aware of his decision well before the Covid pandemic with the view of travelling and teaching abroad. His plans were obviously affected by this but he has made the decision to move home closer to his family and has secured a teaching post for September.

Mr Brassington's journey began as a trainee teacher on the ITT School Direct programme that St Bernard's leads and it has been wonderful to see how he has developed as a teacher over the last 3 years. The contribution he has made to St Bernard's has been exceptional and he will be sorely missed. I am sure the whole school community will thank Mr Brassington for his contribution to school before he leaves. It's such a shame that the whole school can't come together to celebrate his time here but when the Covid situation settles down, he has promised to return so we can thank him in true St Bernard's style.

We are delighted that Miss Senior will be returning to a class teacher role in September. This academic year she took on an exciting new role as a 'Maths Mastery' teacher and has supported countless schools and trained our ITT cohort. Her skill set is exceptional and she will be using this to continue to support St Bernard's with our maths teaching this coming year.

Mrs Radford has been doing an exceptional job leading our Team 1 class since Mrs Morgan began her maternity leave. We are delighted that she has agreed to continue this role in the Autumn and Spring terms.

With so much disruption to learning caused due to Covid, we're sincerely hoping that we can try to return to normality from September. Our teaching team can't wait to get the children back together!
