

Come and be part of the fantastic team of parents and family members at St Bernard's Primary School.

The main role of the PTA is to build strong working relationships among parents, teachers and the local community, in support of the children. This can include recruiting and coordinating volunteers and organising fundraising events. It provides parents and teachers with the opportunity to exchange views, work together and to develop mutual trust and confidence. In a world where everyone's time is precious, joining a PTA can be a daunting prospect. **But anyone can get involved, even if you only have a small amount of time available.**
