Reading

"Children are made readers on the laps of their parents."

Emilie Buchwald

"Reading for pleasure is the single biggest factor in success later in life, outside of an education. Study after study has shown that those children who read for pleasure are the ones who are most likely to fulfil their ambitions. If your child reads, they will succeed – it's that simple."

Bali Rai

Spelling

**Spellathon-
sponsored spell
over October half
term**

Friday 27th September
