## Table Top Sale Question Time

### Question 1.

It's clean out and organise time! Does your child use that? Have they outgrown it? Is it new or old? Could someone get use out of it? Could I make some money from selling it? These are questions to ask when thinking about organising a table for the Table Top Sale.

### Question 2.

But in response to that ask yourself, do you want some bargains? Like books, toys, uniform, sports equipment? Are you looking for nearly new and sometimes never worn brands/clothes?

### Question 3.

Do you like tea, coffee plus a catch up with friends and supporting school events?

*If the answer is maybe or yes, then come along to the Table Top Sale.*
