Accelerated Reader

Team 2-6

Dear parents,

Over the next few days your child will be bringing home reading books that have now got a level sticker on them. This is linked to our new Accelerated Reader programme we have purchased.

Here is a video that outlines how it works.

[Accelerated Reader video.](#)

This is the first time the children have used the programme so we will be training them over the next few weeks on how to do quizzes related to the books they have read. A letter will be sent home telling you how to log in at home to track your child's progress. After your child finishes reading a book, please encourage them to take the online quiz. The more quizzes they do, the more they will develop their reading skills.

We will keep you updated as we continue to fully embed the programme.

Thank you very much for your support.
