Cashless School

Dear Parent/Carers,

To help remove all cash from school we are asking all parents to use our e-payment method (ParentPay) to pay for lunch money, snacks, trips and clubs etc. This can be done online using a secure website called ParentPay.

It is our aim that we become a cashless school by **Friday 1st October**. We will not be able to accept cash after this date.

If you already have a ParentPay account, either with our school or another ParentPay school, you can simply login to that account and add your other children via the **Add a child** tab on your home page.

Any family who hasn't yet logged on to/registered with Parent Pay, will be sent home a letter with an activation code this week. You will use a unique activation username and password and will be prompted to change these and to keep them safe and secure as your Username and Password for future logins. If you have two or more children at a ParentPay school, you only need to activate one account to create your 'main account and then add your other children via the Add a child tab on your home page.

Visit <https://www.parentpay.com/> to activate your account.

Please do not hesitate to contact the school office if you need assistance. Your support in using ParentPay will help the school enormously, thank you.

Yours sincerely,

Julie Le Feuvre
