Musical Minds Workshops

Dear parents,

On a Friday afternoon for the Autumn term T5 will be taking part in an online music workshop called Musical Minds. This workshop is being run by Inner Trust who delivered our DJ workshops last year. It is a 40min session where children will be able to explore different music genres and learn new skills through mixing and creating sounds. They will have the opportunity to express themselves freely without judgment or limitations and have fun, excitement and gain confidence and self-esteem and obtain positive therapeutic benefit leading to improved mental health.

The sessions will take place on Zoom. No recording will take place and the Zoom meeting will be password protected.

We are really looking forward to the children being able to take part in this exciting opportunity.
