Monday 13th January

Dear parents,

SPELLING SHED UPDATE:

All the children have been registered on this fantastic spelling support programme and had a login sent home last week. Please ask your child's teacher if you do not have this information. It is great to see so many children already on the programme and making progress in their spellings.

The children move up the ranks, the more words they spell correctly.

Royal Bee

Teachers are setting weekly assignments linked to the spelling patterns they are learning in class, or words linked to their connector work. Please encourage your child to complete them.

Soldier Bee

Worker Bee

Drone

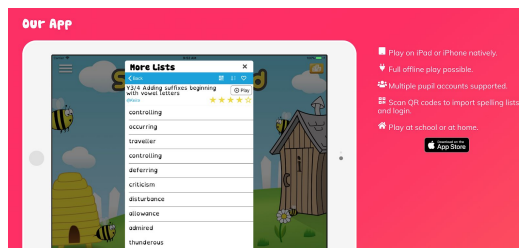

You can download the Spelling Shed app to your devices at home.

Larva

Egg

Or simply play online at <https://play.edshed.com/>

Please support your child in becoming a super speller. Certificates are given out weekly for achievements on the Spelling Shed Programme.

Thank you for your support

Miss Reid
