

OUR VISION  
To strive for excellence

OUR MISSION  
To grow, love & learn following Jesus

14th June 2019

Dear Parents,

I just wanted to remind everyone of the arrangements for tomorrow.

- I will meet the children in the parish centre, which is at the back of the church.
- The photographer will be there to take the children's picture. We will have a group picture taken as well. Photographer arrives at 9am to set up and will finish at approx 9.50.
- The children will stay with me until the mass starts so we can go through final preparations.
- In the church there will be signs on the rows to show where family members should sit.
- There will be a space labelled for the children to sit with their readings and mass booklet. Please ask family members to keep that seat clear.
- There will be rows at the back of church for extra family and friends.
- After the mass there will be opportunities for the children to have their photographs taken on the altar etc.
- There will be a little buffet for the children to celebrate together in the parish centre. There will be tea and coffee for family members to come and join in with the celebration.
- I know that many of you have further plans for the day. Let me know what time you need to leave so I can ensure we do everything before the children leave.

I would like to take this opportunity to thank you for your support during this journey. I hope the children have a special day and make lots of lovely memories. If you have any questions please come and see me.
