13th February

Parents' Evening – Tuesday 19th and Wednesday 20th March

Dear Parents/Guardians

This is our second Parents' Evening session of the year. We want all of our children to be confident and independent learners so the children will be part of the meeting process and will be contributing to their learning review with the class teacher and yourselves. Your child will need to attend the meeting, as they will be talking about their learning so far this year.

For families with more than one child at the school, school staff will supervise siblings in a classroom while you are meeting with the teacher. We will be allocating a maximum meeting time of up to **10 minutes**. We would like you to indicate your preference of meeting time on the slip below. As always, we will do our best to match your requirements but please understand that this may not always be possible.

Please complete the slip by ticking the preferred day and return it to school by **Friday 15th February** so that times can be allocated.

Yours faithfully,

S Jevons  
Head of School
