Friday 24th April

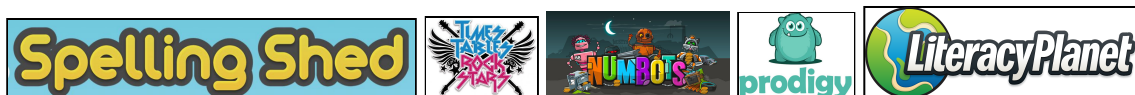

Home Learning- Further Support

Dear parents,

Just before school closed we sent all our families a recommended timetable to help you keep a routine at home and structure the learning for the day. Please continue to use this if you feel it has been helpful. Starting this week, teachers have been sending home a weekly task rather than daily ones. This allows your child to engage in the learning at their own pace and gives families the flexibility to plan learning around their own family routines.

As we've mentioned before, you know your children better than anyone and we don't want to put any unnecessary pressure on children or families to complete activities. Do what you can and if you were to prioritise any home learning task, focus on reading. Our teachers will continue to be available via email communication if you need any advice or support. Miss Reid or myself continue to be in school daily if parents have any questions or need any further advice.

We are encouraging our children to continue using the following learning platforms.

- Times Table Rockstars (T2-6) (TR&1 Numbots)
- Spelling Shed (TR-T6)
- Prodigy (T1 -T6)
- Literacy Planet (T1-T6)

Teachers will continue to set tasks on them.

Here is a reminder for children in TR and T1 about phonics.

RWI (Read Write Inc) is the phonics scheme we follow at St Bernard's and each day there are phonic sessions to follow on the above site. If you are unsure of the set of sounds your child is working on you can either contact their class teacher or use the little assessment above to help you. Once your child has completed the daily sessions on You tube they can then access the RWI coloured books on the site below. Again, if you need help with the books to use please contact the class teacher and we can help you with this.
