

**Brewing
possibilities**

You're invited to our Launch Event!

When: 21st November from 2-6pm

Where: Ground Up, The Cafe at Theatre Porto,
Whitby, Ellesmere Port, CH65 6QY

A new Community Interest Company (CIC) making its debut with the opening of our very first coffee shop.

Ground Up serves as more than just a coffee shop; it's a supportive space where young neurodivergent people can develop new skills, gain valuable experience, and build confidence in a professional setting, ready to engage in meaningful further employment in the wider community.

Join us to hear a short presentation about the mission behind the Ground Up Project, enjoy a great cup of coffee and a slice of cake, and be part of a movement that's building brighter futures, from the ground up!
