FOLLOWING JESUS**

School Atlas Project

Dear Parent/Guardian,

Next year I would like to create an interactive school atlas to record the places the children and staff have visited. If you are visiting different places around the UK or heading to other countries please take a picture of your child near any famous landmarks. These can be shared with myself when we return to school. Having leaflets from the different landmarks would also be useful for future lessons across the school. This project will grow throughout the year to include your adventures during the different school holidays.

I hope you all have an enjoyable holiday, full of adventures. I look forward to hearing about all the places you have visited. If you have any questions, please come and see me.

Thank you for your support
Yours Sincerely

Miss Worthington
Geography and History Co-ordinator
