

Our Vision:
**EXCELLENCE
IN ALL WE DO**

Our Mission:
**TO GROW,
LOVE AND LEARN
FOLLOWING JESUS**

Tuesday 3rd March

Dear Parents

On January 30th, Social Butterflies went live across West Cheshire. This project, led by Brightlife and Cheshire West and Chester, celebrates Cheshire West becoming an age-friendly borough and part of the Global Network for Age Friendly Communities. The aim of this project is to enable all of us, from the youngest to the oldest, to feel valued and have the opportunity to live happy, enjoyable lives.

To recognise, this the children in Reception, Years 1 and 2, have all made their own beautiful butterflies that are now on display in the old Carphone Warehouse in the Port Arcades. In addition to this, some of the children in KS2 will be running butterfly craft stalls in the rotunda of the Arcades, the week beginning the 30th of March. More information will be sent out regarding this closer to the time.

If you would like to see how this project has grown around Cheshire, take a look at
