Your child is now registered on Times Table Rockstars. They will bring home a letter with their login details on. You can access it via the website or you can download a FREE app on their device.

Go onto JAMMING and select multiplication only and then choose 10 questions. Please click on the 2 times table.

GARAGE is set up for the 2 times table but will give division questions as well. Please do not click on GIG, STUDIO and SOUNDHECK as these will be questions for all the times tables.

Here is a [parent guide](#).

We would like your child to start practising their two times tables. They have been practising counting in twos in class.

Please give your child lots of opportunity to practise on Times Table Rockstars at home.

Thank you
