Dear **Parent/Carer**,

Your child's school recently took part in an arts workshop ran by Theatre Porto based on the idea **'If Children Ruled the World'**. Your school is one of 12 local primary schools in Ellesmere Port to take part, creatively exploring with artist **Jake Ryan** - *What it would be like if children wrote the rulebooks? Made the laws? Would it more kind or total chaos?*

We would like to invite you to see the culmination of the artwork created with all 12 schools as part of our **Topsy Turvy Weekend Extravaganza** taking place **Friday 11th - Sunday 13th August**.

The weekend will include exciting performances, workshops and creative activities in both the park and theatre including: bubble shows; dance; walk-about characters; live music and lots more!

Any questions, please email jess@theatreporto.org or call the office on **0151 357 2120**

More details and booking information can be found on our website at: www.TheatrePorto.org/TopsyTurvy

We look forward to welcoming you to Theatre Porto soon!

Jess, Jake & the team at Theatre Porto

At Theatre Porto we also run free weekly drama groups, family film clubs, a family hangout and we have a public cafe with free WIFI. For more info about our work including our forthcoming Christmas show **'Little Red'** please sign up to our mailing list at www.TheatrePorto.org
