**Book Collection and School Photographs**

Dear parents / guardians,

At the end of the school year the children usually take their books home with them. As we are not currently in school we are going to leave the books at the front of school for you to collect. Please bring a bag to carry them in. You will be sent a text with the day and time the books will be available for collection. We will do our best to put sibling books together.

Just before lockdown the children had their class photo taken. We have received the order forms and these will be put with your child's books for you to take home. Please note that all orders must be made through the Kittle Photography website online. No orders can be made through school.

Stay safe and take care
