Harvest

Dear Parents/ Guardians,

Next week the children will be finding out about the concept of harvest. The Mini Vinnie group have set themselves a challenge to collect tinned and packaged food. They have found out about the work of a local food bank, which operates from the Hub on the Stanney Grange Estate and they want to try and help as many families as possible. If you are able to help, please send any donations into school. Our Mini Vinnie's will then collect the food and help to deliver the items to the Hub.

The following link gives suggestions of items that would be helpful.

If you have any questions please don't hesitate to ask.

Thank you for your continued support
