

Our Vision:  
**EXCELLENCE  
IN ALL WE DO**

Our Mission:  
**TO GROW,  
LOVE AND LEARN  
FOLLOWING JESUS**

Dear parents/guardians,

Thank you to everyone who completed the questionnaire at Parents' Evening. We were overwhelmed by the positive feedback. We have a wonderful school community who work together in partnership to provide the best outcomes for the children.

We are always looking for ways to improve and have taken on board your comments. One of the things mentioned was better communication. Here is some information about how we ensure families are kept informed about events in school:

- Regular text reminders are sent out to parents to inform them of upcoming events
- School trips are planned in advance and letters sent home providing all the key information
- Each half term a key dates letter is sent home
- Classes use Twitter and Tapestry to share learning
- There are 2 Parents' Evening and 1 school report each year
- Teachers are always available to talk to you about your child's learning

Did you know that all the letters that are sent home can be found on our school website [HERE](#). Save the link to your home screen for quick access.

If there is anything specific you think we could improve on regarding communication, please let us know.

Thank you also for your feedback on our outdoor play provision at lunchtime. Working with OPAL we have developed lunch time play. We chose to develop this because childhood has changed, and many children no longer get their play needs met out of school. Many children get little opportunity to play outdoors.

We thank you for your understanding when they have come home messier but they have been exposed to more challenges and have greater freedoms to play where, with whom and how they like. If you would like your child to come into school with a spare pair of trainers/old shoes then please send these in in a carrier bag.

SYCOL

You will have noticed the addition of a sandpit in the playground. As with all the playground developments the rules and risks around this will be discussed with all children as they learn to safely play together. Can I please ask that you ensure children do not enter the pit before/after school.

We believe that the experiences the school is fostering are essential for children's physical and mental wellbeing and are in line with all current good practice advice on health and safety, wellbeing and development.

Thank you for your continued support.  
Mrs Le Feuvre  
Head of School
