Dear Parent / Carer,

As we did last year, we will be hosting a ShoeShare collection in partnership with Unicef and Clarks on:

Thursday 20th July

Unicef and Clarks have worked in partnership since 2008 to help keep children safe. In that time, Clarks have contributed to transforming children's lives through ShoeShare, gathering old shoes at collection points in more than 500 Clarks stores across the UK. To date, the partnership has raised an incredible £1 million. To support children across the world and help them access their right to education (Article 28), we will be hosting a ShoeShare collection.

All you need to do is bring your child's old school shoes into school (or your child can change into other shoes and leave them at the end of the day) on Thursday 20th July.

We will then deliver all of the shoes we have collected to our nearest Clarks store. The more shoes you bring in, the more money we can raise for Unicef, helping children around the world to be able to access education.

Please do not hesitate to contact us if you have any questions about this.

Thank you for your continued support,
