

ST BERNARD'S RC PRIMARY SCHOOL

Sport Funding Report - 2019/20

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p><u>PE and Sport Premium</u></p> <p>Sport Premium funding, also known as Olympic Legacy funding, for Physical Education and School Sport was announced by the government in March 2013. This substantial sum of £150m per year was going directly to schools running from September 2013 to August 2017. This has since been extended until 2020. The 'ring-fenced' funding – only to be spent on PE and sport – will go directly to schools, who will decide what is best for their children's needs with the aim of improving the quality of provision in every state primary school in England. This could vary from specialist coaching and teacher training to dedicated sports programmes, Change4Life sport clubs and support for after-school or weekend competitions.</p> <p>Here at St Bernard's, we will be channelling directly into developing the provision of Sport and PE throughout the school. We have developed a plan that extends the progress we made last year and this new report is based around the academic year September 19 to July 20. Below is a breakdown of how the funding will be spent and how we will be measuring its impact on our children.</p>	<p><u>Baseline</u></p> <p>We wanted to continue to build upon the progress made last year in ensuring Physical Education was given the status it deserved. We recognised that we still had areas for improvement.</p> <p>These were:</p> <ul style="list-style-type: none"> ● Further opportunities for children to take part in a wider range of clubs. We aim to continue to attend a wide range of clubs, targeting the less active children. ● Continue to enhancing equipment for playground use. ● Continue to incorporate more physical activity during the school day. ● Continue to encourage a wider range of sporting opportunities for all children. We want to ensure we attend a wide range of competitions and aim to get to county final levels for more.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	76%
