

ST BERNARD'S RC PRIMARY SCHOOL

Sport Funding Report - 2020/21

Please note - all evaluations were made in July 2021 - during the COVID-19 global pandemic. Some targets could not be fully met and have been carried over to the next academic year.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>PE and Sport Premium</p> <p>Sport Premium funding, also known as Olympic Legacy funding, for Physical Education and School Sport was announced by the government in March 2013. On the 5th July 2020 the Education Secretary confirmed that the primary PE & Sport Premium would continue at £320 million for the 2020/21 academic year. The 'ring-fenced' funding – only to be spent on PE and sport – will go directly to schools, who will decide what is best for their children's needs with the aim of improving the quality of provision in every state primary school in England. This could vary from specialist coaching and teacher training to dedicated sports programmes, Change4Life sport clubs and support for after-school or weekend competitions.</p> <p>Here at St Bernard's, we will be channelling directly into developing the provision of Sport and PE throughout the school. We have developed a plan that extends the progress we made last year and this new report is based around the academic year September 20 to July 21. Below is a breakdown of how the funding will be spent and how we will be measuring its impact on our children.</p>	<p>Baseline</p> <p>We wanted to continue to build upon the progress made last year in ensuring Physical Education was given the status it deserved. We recognised that we still had areas for improvement.</p> <p>These were:</p> <ul style="list-style-type: none"> • To give children the opportunity to be more active after coming back to school after the COVID-19 global pandemic. • Further opportunities for children to take part in a wider range of clubs. We aim to continue to attend a wide range of clubs, targeting the less active children. • Continue to enhance equipment for playground use. • Continue to incorporate more physical activity during the school day. • Continue to encourage a wider range of sporting opportunities for all children. We want to ensure we attend a wide range of competitions and aim to get to county final levels for more. • Upskill staff in the delivery of gymnastics.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	Due to recent unprecedented events we are unable to assess this.
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	Due to recent unprecedented events we are unable to assess this.
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	Due to recent unprecedented events we are unable to assess this.
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes for LKS2
